\* Download a free eBook to test. \*\* In paper B for the CM and CS subjects you will submit Excel or Word file (respectively) for assignments and mocks. In Subject CP2 you will submit an Excel file (and possibly a Word file). In Subject CP3 you will submit a Word file. For all others assignments and mocks you need to hand write your solutions then scan and submit a PDF. You will be able to view your marked script from a portal using a web browser.

\*\*\*Need to check settings and download an adobe connect add-in (could be an issue on locked-down computers – ones where you don't have admin rights)
