Notes on filling out the order form

- A. Do not order Course Notes, Question and Answer Bank or Series X Assignments if you have ordered the Combined Materials Pack for the same subject.
- B. Core Reading is available from ActEd to student members of the profession who have previously purchased a CMP in the same subject.
- C. Retaker-price Combined Materials Pack or Course Notes are only available to retakers who have already purchased the full-price material in the same subject or the corresponding old subject(s) from ActEd. Please refer to page 12 of the *Student Brochure*.
- D. CMP Upgrades can be downloaded free of charge from our website at www.ActEd.co.uk. In some subjects a complete upgrade cannot be produced due to the large number of changes made. Please check the content before ordering.
- E. The Mock Exam 2009 was available last year, although it has been updated to reflect the new syllabuses. Please check that you have not already purchased it.
- F. Unless you tell us otherwise, we will send your course files to your office address. We find this to be much more reliable than sending to home addresses because the courses are despatched in boxes that are too big to go through a domestic letter-box, and our couriers require a signature on delivery.
- G. If you are also sitting the Practice Module then you will need to buy the Core Reading for the generic part of the module - please use the product code P0. For more information please visit www.ActEd.co.uk.

Series X Assignment Solutions: If you order Series X Assignments and Series X Marking *simultaneously* we will not send you the Series X Assignment Solutions in advance unless you request otherwise. Please put a cross here if you would like us to send you the solutions in advance.

Feedback to employers: Most employers ask us to give feedback on assignment grades and tutorial attendance. Put a cross here if we must **not** provide this data to your employer. If you have previously asked for secrecy but would now like feedback to be passed to your employer then please put a cross here .

Ad-hoc emails: We occasionally send ad-hoc emails to students to inform them about developments relating to their studies, for example, updates to course materials, availability of new products. Please put a cross here if you do **not** wish to receive such correspondence.

Equal opportunities: Please put a cross here if you have a learning disability and/or learning difficulty and/or health problem which you would like us to be aware of. Someone from ActEd will contact you to establish what additional support we can provide for you.

Invoicing and payment: Unless your company has pre-arranged payment facilities with ActEd, please include debit or credit card details below when you place your order and ensure that you have given your home address on the first page of this form.

Invoices to be settled by your employer will be addressed to you personally at your office address unless your employer has already authorised the use of its company account for your order. If you would like us to address these invoices differently, please give details below. Please provide your company's requisition number, if applicable, when you place your order. If invoices are not settled within 30 days we may block future orders and/or prevent you from using on-going services (eg marking and tutorials) without offering any refund.

Refunds: Please read page 13 of the brochure for details of refunds and cancellation fees before ordering.

Copyright material: The material is copyright and is sold to you for your own exclusive use. You may not hire out, lend, give, sell, store or transmit electronically or photocopy any part of it. You must take care of your material to ensure that it is not used or copied by anyone else at any time. Legal action will be taken if these terms are infringed. In addition, we may seek to take disciplinary action through the profession or through your employer. By applying for a course, you accept these conditions.
