Further information

Shortly after you apply for a course you will receive an acknowledgement of your **provisional** application if the course has not been finalised. If you do not receive an acknowledgement within four days for each of the courses you have applied for, please contact ActEd immediately to check that we have received your application. A provisional place on a course does not guarantee that the course will run – this will depend on a sufficient level of demand at finalisation. To maximise your chance of getting a place on your chosen course(s), you should apply well before the appropriate finalisation date (see the *Tuition Bulletin* for more details) and state as many preferences as possible.
